

April 1, 2020 UPDATE

Here's missing seeing everyone and enjoying the presence of each other's company.

We have been receiving a few questions regarding how and where tithes/offerings could be sent during this time away from the occupation of the church building.

There are a couple of ways that can be accomplished: One is to simply write a check to AAJC and mail to 39322 Dudley Avenue, Soldotna, AK 99669. Another is, as some of our people already do, add AAJC, at the same address, to bill pay through your banking location. Either way, it would come through the mail and be received by the church.

Another update would be regarding the April 8<sup>th</sup> Singspiration which will be replaced at this time by a teaching of the days leading up to His crucifixion and what our glorious Savior endured for each and every one of us. And we will rejoice in His Resurrection in our homes on Sunday, April 12<sup>th</sup>, until we can again gather to do as we customarily do for Resurrection at a later time to be set when we can again gather as a body.

Obviously, there will be no April Oracles newsletter printed, but please be looking for the Shepherd's Staff to appear on the [bodyofjesus.org](http://bodyofjesus.org) webpage as a Message from Our Pastor.

Saints – stay safe and grow during this time of being away from each other. Do continue to check on each other within the groups that you have been assigned by the Needs Committee. We certainly desire that no needs go unmet during this apart time.

Love in Christ,

The Board
